Oil Resistant Anti-fatigue Mat

Features

Oil resistant anti-fatigue duck-board mat for wet or dry industrial use. Designed to withstand many of the more commonly found industrial oils and chemicals. Open top surface to manage fluids and swarf dispersal.

- Made from 100% nitrile rubber, can withstand many common metalworking fluids, oils and chemicals.
- Drainage holes and raised studs allow fluids and debris to fall through, leaving a clear top surface.
- Aggressive slip resistant surface.
- Highly visible orange bevelled borders on three sides for safety.
